

## FOR IMMEDIATE RELEASE

### Company Folders Launches New Website

USA, Michigan, Keego Harbor, January 2, 2007

[Company Folders Inc](#), the premier provider of folders, binders and printing products has launched a new website dedicated to providing businesses with a user friendly resource for sourcing folders, binders and printing products.

Dedicated to providing businesses with numerous options for marketing and branding their business, Company Folders is uniquely able to offer businesses access to their team of graphic designers and account managers, expert advice on the comprehensive range of products and services they now offer.

[Company Folders](#) new web site uses a design format this is rapidly downloaded by all web search engines. Intuitively structured, the site provides easy and rapid access to the latest products and services. To sample the high quality stock paper, foil, embossing and printed products, customers can easily request free samples of products by completing a [sample order form](#). [Design templates](#) are available to be downloaded to assist in designing unique and memorable folders, binders and many other printing projects.

The range of in-house services that Company Folders provides is expansive covering printing, laminating, gluing, fulfillment, embossing, die cutting, binding, UV coating, foil stamping, folding, hand assembly and UV printing.

In addition to providing a myriad of products and services, Company Folders also prides itself on utilizing [environmentally friendly](#) printing techniques by using agricultural based inks for presentation folder printing.

Full background information is given detailing the company, its products and services and the industries that they serve. [Customer testimonials](#) are available showcasing that Company Folders pursues excellence in all projects regardless of the size of the business or the order being placed.

Regularly updated with [new products](#), the new Company Folders website is worthy of bookmarking for regular visits by anyone needing to purchase customized presentation folders, binders and printing projects guaranteed to meet their needs.

“The launch of our new website has created significant excitement here at Company Folders. We are dedicated to providing our customers with products and services that

enhance their ability to be seen by clients and potential customers. Meeting our customers' needs required that we provide them with even more flexibility to browse through our products and services online. Enhancing our website enables us to more easily roll out new products and services to our valued customers and making it easier for our customers to customize and order what they need." said Vladimir Gendelman, CEO of Company Folders, Inc.
