Company Folders Offers New Line of Presentation Folders and Photo Holders USA, Michigan, Keego Harbor, April 18, 2007

[Company Folders Inc](#), the premier provider of folders, binders and printing products has released a new line of presentation folders and photo holders sure to delight businesses and offer even more solutions for marketing and branding your business.

Company Folders offers businesses the tools they need to effectively market and advertise their business. Our standard [Presentation folders](#) are perfect for holding marketing materials to send out to potential clients or for sharing documentation within the organization. Each folder makes its own impression when combined with striking images and compelling statements to get your business noticed.

[Legal size presentation folders](#) offering vertical pockets and generous expansion capabilities make these folders perfect for banking, finance, real estate, mortgage, credit union, legal, title or any other oversized documents you may have.

To gain the most exposure for your business, Company Folders now offers [three panel presentation folders](#) that are an ideal medium for making an impression on clients and future customers. By using the front and back sides of all panels with information and pictures, you convey a significant amount of information and gain brand recognition for your business.

[Conformer expansion folders](#) provide safe storage of documents in a spacious folder that expands 1/8" and includes elastic band closures free business card slots. Featuring a 3 1/2" pocket on the left and right sides, these folders are durable and perfect for businesses looking for sensible and reliable document storage.

Providing businesses with numerous options for branding and marketing their business, Company Folders now provides portrait and landscape style [photo holders](#). Perfect for fund raising promotions, golf outings, grand openings, fashion events, anniversary gatherings and more, photo holders are the perfect solution for corporate events. Available in printed, foil stamped or embossed, photo holders leave a lasting impression long after the event has ended.

"Here at Company Folders, we are so pleased to provide our customers with even more options for branding and marketing their business. Our presentation folders and photo holders, along with striking artwork and compelling statements, set a company apart from the competition. We help businesses create unique and memorable pieces to

share with clients and potential customers.” said Vladimir Gendelman, CEO of Company Folders, Inc.
