

FOR IMMEDIATE RELEASE

Company Folders Announces New Product Lines for Businesses

USA, Michigan, Keego Harbor, April 20, 2008

[Company Folders Inc](#), the preferred choice for folders, binders and printing products, has expanded its product line to better serve businesses. Presentation folders, legal size folders, reinforced edge folders and small presentation folders with deeper, angled pockets are all new solutions that Company Folders is proud to offer customers.

Company Folders offers businesses the tools they need to effectively market and advertise their business. [Presentation folders](#) are perfect for holding marketing materials to send out to potential clients. Each folder makes its own impression when combined with striking images and compelling statements to get your business noticed.

Whether communication and sharing of information within the organization or to existing clients, [legal size folders](#) are the perfect solution to hold larger documents. Full color legal size folders are perfect for banking, finance, real estate, mortgage, credit union, legal, title or any other oversized documents you may have.

[Reinforced edge presentation folders](#) provide extra durability when opening and closing the folder. Extra stock is folded over and glued down at each side edge to ensure that your documents stay in place and each folder is built to last. Available printed, foil stamped or embossed, folders can be customized with your artwork to make them visually appealing while being reliable and durable.

Easy to hold, conveniently sized [small presentation folders](#) make a big statement in a small package. Company Folders line of small presentation folders are available printed, foil stamped or embossed. Folders are perfect for holding brochures and business cards or any other smaller marketing materials you want to share with clients and prospective customers.

“We are pleased to provide our customers with even more resources to showcase their products and services. Using your artwork, we can customize these products to be unique to any business, making your business stand out from the competition.” said Vladimir Gendelman, CEO of Company Folders, Inc.
