### Company Folders Offers New Line of Products for Businesses

USA, Michigan, Keego Harbor, April 20, 2006

[Company Folders Inc](#), the online provider of presentation folders, binders and printing products has released a new line of products for businesses. Offerings in the new line include legal size expandable pocket folders, card holders, three ring binders with pockets, reinforced panel CD / DVD holders and tuck tab folders.

Providing businesses with the products they need to effectively advertise and market their business is the goal of Company Folders. [Legal size expandable pocket folders](#) provide the space when it is needed. Available printed, foil stamped or embossed, these folders are a great way to share allot of information with clients and prospective customers.

Security and convenience are important to customers at your establishment and the perfect reason to provide them with [card holders](#). Available printed, foil stamped or embossed with your company logo and key statements, card holders securely hold hotel keys, membership cards, benefit or gift cards. With each contact with your customer, card holders advertise your business and provide convenience and security.

[Paper three-ring binders](#) are made from durable, laminated stock and can be printed with full color graphics, foil stamped or embossed. These lightweight binders reduce shipping costs and are perfect for product manuals, benefit information and training programs. A ½” metal ring securely holds information in place making paper three-ring binders the sensible and reliable choice for document storage and shipping.

Providing businesses with numerous options for marketing their business and sharing information, Company Folders now provides reinforced panel [CD/DVD holders](#). Customizable with full color images and available to be printed, foil stamped or embossed, CD/DVD holders reinforce the message that you are sending.

Document folders are the perfect solution to store jewelry appraisals, lease papers and loan dispositions. Company Folders now offers [tuck tab document folders](#) to hold important documents. Available in striking full color artwork, printed, foil stamped or embossed, these folders securely hold information in its place.

“We are pleased to provide our customers with even more options for document storage and marketing their business. Our new line of products is focused on businesses

showcasing their information and providing them with more opportunities to advertise to their customers. ” said Vladimir Gendelman, CEO of Company Folders, Inc.
